

UART Exported Constants

UART Reception type
values

```
graph RL; A[UART Reception type values] --> B[UART Exported Constants];
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'UART Reception type values'. The box on the left is white with a black border and contains the text 'UART Exported Constants'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or mapping from the reception type values to the exported constants.
