

UART\_Exported\_Functions

```
graph RL; A[IO operation functions] --> B[UART_Exported_Functions];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'UART\_Exported\_Functions'. The box on the right is gray with a black border and contains the text 'IO operation functions'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the IO operation functions are used by the UART\_Exported\_Functions.

IO operation functions
