

TIM Exported Constants

CCx DMA request selection

```
graph LR; A[CCx DMA request selection] --> B[TIM Exported Constants]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'TIM Exported Constants'. The box on the right is gray with a black border and contains the text 'CCx DMA request selection'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the selection of the CCx DMA request affects the TIM exported constants.
