

RCC Exported Constants

```
graph RL; Interrupts --> RCC[RCC Exported Constants];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'RCC Exported Constants'. The box on the right is gray with a black border and contains the text 'Interrupts'. A black arrow points from the 'Interrupts' box to the 'RCC Exported Constants' box, indicating a dependency or relationship.

Interrupts
