

RCCEX Private Macros

```
graph LR; A["RCC Private macros  
to check input parameters"] --> B["RCCEX Private Macros"]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "RCCEX Private Macros". The box on the right is gray with a black border and contains the text "RCC Private macros to check input parameters". A black arrow points from the right box to the left box, indicating a dependency or relationship.
