

RCC Exported Macros

APB2 Peripheral Low
Power Enable Disable

```
graph RL; A[APB2 Peripheral Low Power Enable Disable] --> B[RCC Exported Macros];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'APB2 Peripheral Low Power Enable Disable' in two lines. The box on the left is white with a black border and contains the text 'RCC Exported Macros'. A solid black arrow points from the right box to the left box, indicating a dependency or relationship between the two components.
