

FLASH Exported Constants

FLASH Option Bytes
PC ReadWrite Protection

```
graph LR; A["FLASH Option Bytes<br/>PC ReadWrite Protection"] --> B["FLASH Exported Constants"]
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text "FLASH Option Bytes" and "PC ReadWrite Protection" on two lines. The box on the left is white with a black border and contains the text "FLASH Exported Constants". A black arrow points from the right box to the left box, indicating a relationship or flow from the option bytes to the exported constants.
